

COMMODORE'S COMMENTS

- BY LARRY FOX -

We finally had some hot August nights in Humboldt, that is, Humboldt style with any temperature above 65 degrees! It has really been nice having the cold edge taking off of sailing with some shirtsleeve weather for the fog races on Wednesdays and similar weather for the weekend events. The month started off with some high winds for the In-Bay Keelboat series on August 1. Sporty conditions were braved by Wes placing first in both races; Ed placing second in both races; and Bridge placing third.

We took Dinghy #2 up to Big Lagoon at the County Park with Todd, Garrett and me (arriving very late). Todd was first and Garrett was second with Larry, third in this shake down cruise in preparation for the Redwood Regatta.

Women-at-the-Helm keelboat racing continued on the 22nd with two boats competing. Marie Williamson took first with Alexa Myers, second on the day. September is upon us as we look forward to the Redwood Regatta on Sept 5 and 6! Many a thank you to everyone volunteering for tasks before and during this Regatta! We don't need a cleanup day this year as the site is already beautiful for camping.

We plan to do some match racing at our site on the Big Lagoon on Saturday, August 29 If we can locate an additional El Toro sailboat. Watch your email for updates about this event.

Remember, there is NO POTLUCK in September even though the online Club Calendar disagrees and ***we can always use extra hands to Load the trailer at the Club Room, Wharfinger Building on Thursday September 3.***

Finally we round out September with a Whistler Race on the 20th. Skipper's meeting is at 11 am.

Fair Winds, Larry
