

COMMODORE'S COMMENTS

- BY BRIDGE RANDALL -

Come up to the Lagoon and enjoy a weekend of sailing and camaraderie! Of course we can always use an extra hand to volunteer to cover all the miscellaneous tasks we need to pull off a successful event.

We have a bunch of new members that have joined the club. It's wonderful that our club is growing and we continue to evolve as a group.

What things do you think would build value in your membership? More classes? Cruising adventures? Boat rigging / tuning? Reach out to me via email and we can start building a program for 2026. Don't forget we have a HYC forum where you can post all sorts of sailing related info for the group to share.

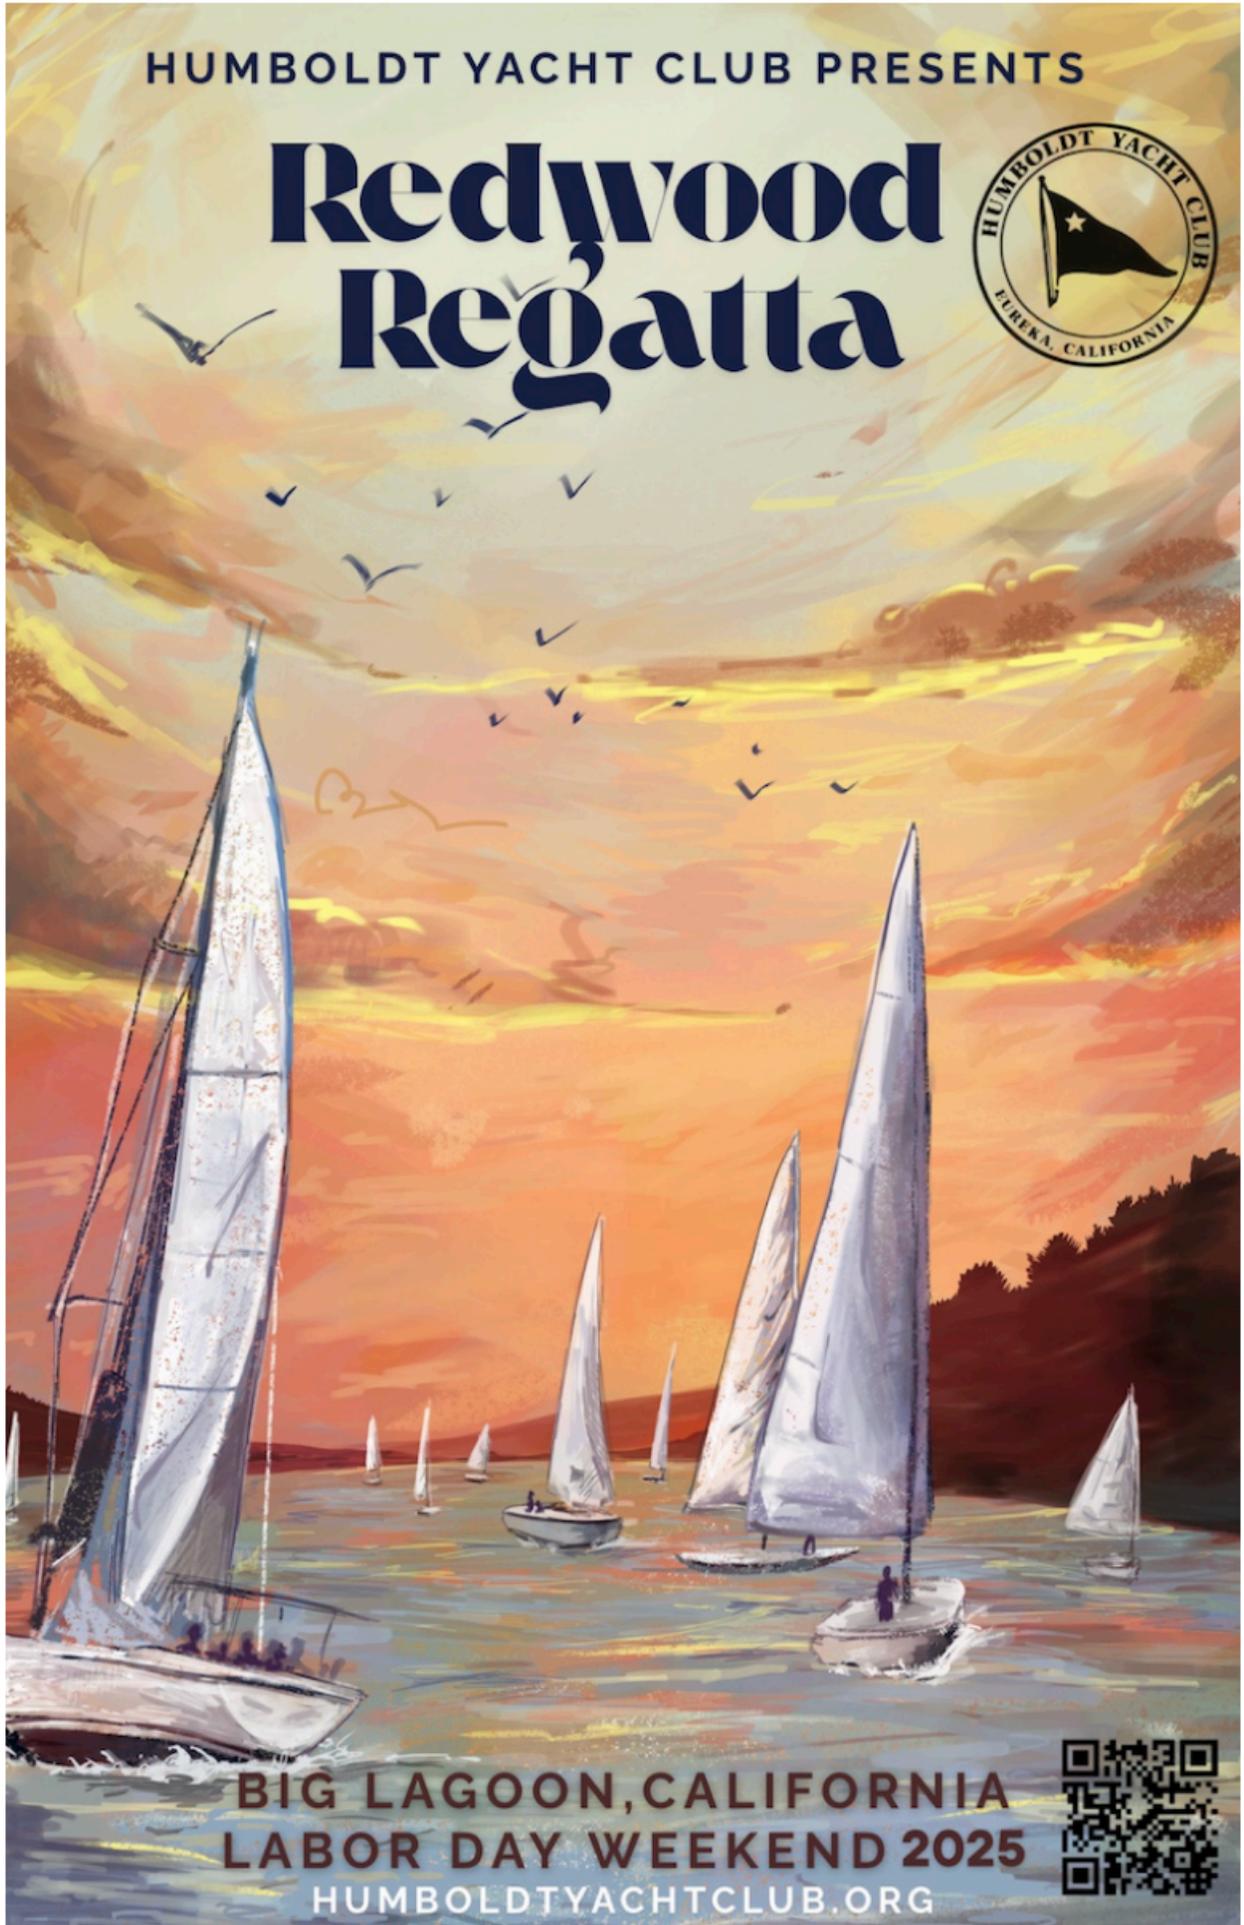

Speaking of next year, we will be building a new HYC Board soon with the election committee. All positions are open to all members to apply for. If you are curious about how our club works, or would like to take the helm, put your name into the hat! We need you!

September 28th is scheduled for the second Women at the Helm Race. Put together your crew and prepare for this exciting race series in the bay! The more people we get sailing, the better for the whole organization.
