

COMMODORE'S COMMENTS

- BY BRIDGE RANDALL -

Whew! Can you believe the Regatta was just a couple weeks ago? This year we had some amazing volunteers who put in countless hours to pull off a successful event! We took on the annual challenge of event permitting and gate lock reconditioning. Thank you! This critical paperwork every year is a big hurdle. Without

Nancy's co-ordination of the volunteer list and directing of the kitchen staff we probably wouldn't have pulled it off. Kevin's patio boat worked as a wonderful committee boat! Along with his hook up for Wing in the critical repair of our safety boat Resolution! Thank you! Special thanks to Will Bagnall for driving the safety boat all weekend! Richard ran race registration, with almost half racers signing up on the day of racing! His brother Jim delivered the clubs water tank! A huge thank you for taking it once again to store for next year! Ed took on the epic task of hauling the U-Haul trailer packed full of all the equipment that makes the regatta work. Magnificent! Race Committee did an epic job of keeping track of 5 fleets of boats and capturing time accurately.

Thank you Ed, Todd and Kevin for putting up with my distracted horn honking! Darren's spreadsheet calculated results on the daily! Keith's barbecue skills on the tri tip worked wonders of smoke and flavor! Eddy and Larry's barbecues made it happen! Dinner and breakfast were lovely and a much needed replacement of energy stores! Nancy, Keith, Joe, Anjie, Cindy, Jamie, Mel, Justin, Garrett, Kevin, Will, and Janet are superstars! The site prep crew saved the day with Peter's mower and Larry at the helm. Garret's super weed wackier made short work of the high brush. Our brand new member Keith jumped right in with a mower and trimmer! What a way to start your club experience. We raked and trimmed and spruced up camp. Rewarded with the El Toro Challenge. A huge thank you to all the guests we hosted too! Boats traveled from SF Bay, Tahoe, Klamath Falls and Ukiah to come race in our event. Thank you for making our Redwood Regatta fantastic!

I hope I got to all of you to thank you, it was pretty hectic, but I really appreciate each and everyone who helped pull off the 87th annual Redwood Regatta!

What is the El Toro Challenge you ask? A double elimination match race. Garret came out ahead on the winners bracket I topped the loser bracket. Final race included a Le Mans style Fosters Challenge start and the wind died....

Don't forget Women at the helm on the 28th!

Book Report

Moitessier was really made infamous when racing and in the lead to winning the golden globe round the world race and on re entering the Atlantic decided to just keep sailing. Ending back in the Polynesian islands and starting a new life there. This book is his cruising guide on how to keep things simple and live off atolls and semi arid islands. One of the best explanations of celestial navigation I've ever read. My brain goes numb (like filling out tax forms!) but I made it through this and it now makes sense! If you find a copy snag it for the light reading on sail philosophy and some practical tips and tricks you may need someday.

Enjoy.

ELECTION OF CLUB OFFICERS

A Nominating Committee consisting of the Commodore plus three members will be elected by a majority vote of those members attending the October meeting. That committee will present a slate of consenting members at the November potluck to be the next Board of Governors, at which time the floor will be open for further nominations. Election will be on written ballot by a majority vote of members present at the November meeting. Successful candidates are installed at the Flag Officers' Dinner.
