

COMMODORE'S COMMENTS

- BY BRIDGE RANDALL -

It's that time of year where hopefully things slow down and we can snuggle in and contemplate the years events, glorying in our success's and crying over our struggles.

I wanted to ruminate on our little yacht club and all the things I appreciate. The club room itself has become an amazing sanctuary from the chaos of the world. Not just from stormy weather but a quiet place to sit and read or enjoy a beverage. The work we have done on the Tiki Bar really gives the room some sparkle! I hope you all enjoy it as much as I do!

I didn't get to sail as many of the races as I would have liked in 2025. Work and family distractions often get in the way of our best intentions. Next year will be better! We have an amazing schedule that will let more people participate and if they miss a race here or there, they still have a chance at a prize. I did acquire a lovely Holder 20 and hope to campaign her more next year locally and traveling to some other regattas.

Whiskeytown on Memorial Day weekend was a total blast camping and racing. Beautiful weather and good times with friends. Klamath lake over 4th of July was amazing! Good to return the favor from the Hobie guys that come to our regatta every year. They have a lovely club that I am totally jelly over. I plan on going to both next year.

It's an amazing group of people we sail with. Between tows in when the wind dies, or getting beers tossed as they pass me. We all have extra to give and by continuing the generosity we continue to make our club the special place it is.

We have tons of new members who are salivating over the learning opportunities we all provide. Help them as much as you can and the karma will return to you.

Lastly but not least, I couldn't have survived this year without the help of Nancy and Anjie, our past commodores. The level of organization to pull off a successful profitable regatta can be overwhelming. Not to mention all the other events we've hosted this last year. You are amazing!

Thank you so much each and everyone of you who continue to grow our yacht club!

“Gee, that’s a wonderful sensation. ... Early in the morning, you just woke up, you’re tired, movin’ kinda slow, and then that oooooold smell hits your nose ... blood in the water.”
