

COMMODORE'S COMMENTS

- BY LARRY FOX -

Feeling equalized? Balanced? 'tis the season!

The fall equinox is upon us. Time to figure out how to trim those Sails to reduce the weather helm. Move the traveler to leeward as the breeze and weather helm increases, let out the main sheet to twist the main to let wind spill out the top, move the jib car back, you want to de-power to reduce heel and move the remaining power forward, balance is key.

But before we embrace the Pumpkin Spice world, let's remember what a September we had! The wind was glorious for our Redwood Regatta in fact, a little too glorious for me on the first day, last race, but otherwise fantastic! 31 boats registered and skippers and crews sailed their hearts out! The catamaran's really enjoyed the extra wind this year. With wind comes capsizes and we had a Snipe flip when the skipper missed the hiking strap! Great job with the rescue boat Will Bagnall and a silver star to Bridge Randall and Nick Grunder who jumped off their boats into the water to help right the snipe!

The food was great and fellowship was warm. Charlie Hayler was "mad" at me for being out Sailing when the TV news arrived but he did a great job on the interview! Thank you Charlie and crew for fabulous meals! Thanks also to the race committee, Ed Mattson and gang and Bridge on the Buoys!

Special thanks to Richard Hendry for handling the registration duties and Jim Hendry for the water tank and all the helpers who set up camp, set up tables and chairs, tore down camp, loaded the trailer, unloaded the trailer and so many other important tasks! We couldn't do it without you!!!

And finally, thanks to Wes Hodges' efforts and everyone's cooperation, we pulled off a near Zero Waste Regatta this year with a total of 46 lbs. diverted from the land fill!

We also finished up the Whistler Racing series in September with Bridge Randall finishing in first place, the only boat to finish in the very light breeze.

October looks pretty chill in comparison to a busy September and hopefully the nippy weather won't discourage us too much for some fun sailing on the bay beginning with the another installment of the In-bay Keelboat series on October 3 and a great Bay race on October 17.

Do you have some great ideas for activities next year? Be sure to come to the planning meeting at 10 am on October 11 where we put together the 2027 calendar.

We're looking for a host for the October potluck on October 6 so let me know if you want to create some fun decorations and theme.

-Sail on, Larry!

"This is it, son—my old chomping grounds. ...
Gosh, the memories."

Please pay your yearly dues.
Membership runs from July 1st to June 30th. You can check when your last payment was by looking at the club roster available in the members section of our website.

To pay annual membership dues:

<https://buy.stripe.com/bIY5nwd8r6vGepW4gk>

Also note that setting up your dues to auto pay saves you a couple bucks a year.
